

The Leading Trade Fair for Retail Technology

24–26 February 2015

Düsseldorf, Germany

Come and meet us this year's EuroCIS February 24 – 26 in Dusseldorf. We showcase our consumer Behavior Analysis Solutions for brick and mortar retail customers. Built on WiFi based sensing, 3D Time-of-Flight based computer vision and web-portal in a cloud, it enables in addition to basic footfall counting and conversion calculation, advanced in-store analytics including consumer routes, dwell times, department level analytics and tools for consumer engagement for retailers.

We look forward for you visiting us @ hall 9 stand 9D01.
